

# OCTOBER

## Fun Fair

The 2017 Fun Fair was a great success. Home and School wants to thank Grace Hanrehan for chairing Fun Fair for the past two years. Grace brought her marketing talents to this event and elevated Fun Fair to an amazing, fun filled experience for all. Grace will be missed as she steps down from the chair position. But, Justin and Kris Busche have agreed to chair Fun Fair in 2018 and Home and School is confident that this event is being passed on to very good hands.

Home and School also wants to thank all the volunteers who chaired the special assignments and worked closely with Grace planning this event. Also a very big thank you to all the parent volunteers who worked before, during and after the event. Fun Fair could not succeed without your help.

## Cookbook

Thank you to everyone who submitted recipes. We are amazed at the variety of recipes received. Thank you to all the students who submitted cookbook covers. They are amazing and Home and School plans on including many cover pictures in the cookbook. Thank you for supporting this fun event. Look for future information on the completed cookbook.

## Trunk and Treat

Home and School is very happy to support the St. Peter and Paul church **Oktoberfest** and **Trunk and Treat**. Home and School encourages all families to let you Halloween spirit shine. Go ahead and decorate your car, dress in costume, and fill those candy bags trunk and treating. Home and School is excited to see all the spooky, scary, bewitching vehicles. Please visit the Sign up Genius and register your vehicle for **Trunk and Treat** today!!!

## Conferences

Conferences are October 26 and 27. Over these two days, our teachers spend many hours providing parents with classroom and classwork information. During the time spent at the conferences, Home and School provides the teachers with survival bags and dinner. Home and School thanks our teachers for their endless time, energy and dedication to our children.
