Old Business

- August minutes approved

New Business

- Amendment to H&S By-Laws approved and passed
- Cookbook
 - We have about 70 recipes but we need more! Deadline has been extended until after Fun Fair.
 - We need to decide how to involve the school kids –have each student submit one 5x7 picture – how can we execute this? Do this at home or at school? Two free tickets to Fun Fair for each submitted entry?
 - Minute Man Press as an option for printing- Genevieve Gordon will call. She will also contact Bill Burris as option.
 - Drop box for recipes and pictures at Fun Fair in exchange for a ticket – need Grace Hanrehan’s approval for this. Need someone to monitor.
- Golf Outing- H&S sponsored a hole so we need to verify there was a sign on the course.
- Classroom white board-H&S purchased two for classes that didn’t have them.
- Recess equipment-Older grades didn’t get equipment. Maybe the classrooms can redistribute and/or share. Mrs. Meskill will look into this. Thinking of other ideas for playground equipment. Peaceful Playgrounds --- painted hopscotch, etc.
- Countdown to Fun Fair week-Need ideas for something to do everyday of week prior to Fun Fair. Good deeds day-- popcorn bucket with students names on kernels. Aloha Day. On Friday of Fun Fair- play some music between classes. Blue & Gold Day day on Friday. Estimation Jar full of tickets -one per building.
- Trunk and Treat-October 26 at dismissal. Use junior high lot for the treaters. Bring their own bag or does H&S provide one? Big Buddies? Genevieve handling the logistics. Decorate the cars? Need a facilities person to help manage the lot. Families will need to RSVP.

Committee Reports

- Fun Fair-Trying to get donations to offset the Big Giant Slide.

- Blessings-26 orders and 6 new users. \$13K gross. Is there a way to get new/used Blessings computer as current is old and outdated. Cash & Carry after the 8:00 and 9:30 masses on Sundays.
- Auction-
- Hospitality-Lisa Pullen. Luncheon for teachers went great as did the ice cream social. New format with presentations first, school tour, THEN ice cream worked great. Next year we can cut back on amount of ice cream and toppings purchased. Finally, the Welcome Back coffee went great too-about 20 in attendance. Found nobody wanted decaff coffee so will make note of that for next year.
- Spirit Wear- Kim McMahon. Spirit wear has made \$160 since August. Numbers down since last year. Cheer and football had socks from last year already. The joggers are a hit. Sent Justin Busche email to share with team coaches. Spirit store to be set up perhaps at Trojan Classic volleyball. Kim will contact Jeanette's husband as he runs the tournament. Kim is open to feedback on new colors for spirit wear. Blankets for holiday sales as another idea. Need to sell the \$20 SSPP water bottles. Ali Takahashi will bring water bottles to sell at JV and Varsity football games.
- Used Uniform-Michelle Fagan. \$3623 in sales last year. \$593 just this year.
- Art Awareness-Kindergarten and First grade. Monica Kelly and Courtney Wisemen.
- Family Fundraiser
- Hot lunch-Starts on the 18th. Rita Woker reported 264 families ordered. 60% of student population ordering, goes up to 70% on pizza days.
- Get Mom of Out Kitchen-Wednesday September 20 at Little Italian Pizza. October's date will be the 18th at Q-BBQ.
- Box tops
- Emergency calling and Greeter Desk-Martha Abbinante. Emergency system is ready for use and the greeter desk could use additional volunteers. Please talk it up!
- Chess Club
- Sick Room-Are we in the market for a hired nurse? Michelle Fagan in charge currently. A meeting is in the future to discuss the need for a school nurse.
- Homeroom Parents Coordinator-Sent out information in August. Great response from parents. Jennifer Aquavella stepped up to help out as fifth grade room parent.
