

## SSPP Dads,

We will once again have the Watch D.O.G.S. program this year at Saints Peter & Paul school.

**WATCH D.O.G.S.®** is an innovative program being used by schools across America which helps them to be positively impacted by the committed involvement of fathers and father-figures in their student's life. Our goal is to have you spend at least one day this year at the school to be a positive male role model and to provide an extra set of eyes and ears.

We are currently looking to schedule a Watch DOG every other Wednesday. Your day would begin at 7:20 and run through 12:30, so it is possible to squeeze in a half day of work, if needed. When you arrive at SSPP's main office, you will be given a schedule to follow for the day to take out any guess work. We are changing the schedule a little this year to better utilize the father figure throughout the school not just in your child's/children's classroom(s).

To sign up to be a Dog for a Day, please email Kris Dornan at: **[Kmdornan@gmail.com](mailto:Kmdornan@gmail.com)** to receive a link to the Sign-Up Genius web page and access code.

A huge 'Thank you' to those who have already been a Dog for a Day!!
