

Dear Friends of Saints Peter and Paul School:

Many of you give through time, talent and prayer to our school and to our students. The return on such an investment and your example is immeasurable in assisting us to raise faith-filled students that become considerate, confident leaders. We are truly blessed by each of you!

Annual Appeal dollars afford us the ability to retain our high caliber teaching staff and provide our students with extra academic support, such as re-assigning Mrs. Karen Domagola and hiring Mrs. Amy Hill to be part of our Student Services program. That program provides small group instruction and allows our students to persevere through challenges, explore new content and create a curiosity that transforms students into lifelong learners.

Giving through monetary donations helps us to realize our mission of providing a safe climate for our students and staff by supporting security improvements to the campus buildings. We have already implemented a series of safety measures including installing stronger doors, police training of our faculty and staff, installing bullet resistant glass, holding regular lockdown drills, and purchasing the raptor driver's license scanning program.

There is one more major step that remains, however, and that is a restructuring of the main entrance to our Jr. High. Upon recommendations of the Naperville Police Department and through ongoing discussions with school and parish leaders, there is total agreement we need to construct a set of interior doors whereby visitors can be adequately screened before having access to classrooms.

Lastly, your donations to our Annual Appeal allow us to keep our Catholic school both affordable and accessible to all families, those currently enrolled as well as those considering Catholic education for their children.

Enclosed with this letter is an Infographic which highlights how the Annual Appeal, earnings from our Endowment Funds and Fundraisers work together to support the school through capital improvements, teacher salary supplements and tuition assistance. It is important to remember that our operational budget alone cannot sustain these efforts.

Please prayerfully consider your ability to make a tax-deductible gift to this worthy cause today. On behalf of our entire student body who benefit from your generosity, I thank you for your ongoing support of Saints Peter and Paul school.

In Christ,

Frank Glowaty
Interim Principal and Advancement Director

Please choose the gift level that works best for you. Every dollar helps.

- Lay Apostles (\$10,000 or above)
- Key and Sword Sponsor (\$7,500-\$9,999)
- Pastor's Partners (\$5,000-\$7,499)
- Fr. Zuker Guild (\$3,000-\$4,999)

Advancement Board

2018 / 2019 School Year

A brief explanation of the Endowment Funds & Advancement Board Fundraisers and how they support the Saints Peter & Paul teachers, families and community.

Purpose + History

The goal of the Advancement Board is to provide for the long-term financial needs of our school. Since 1989, members of this group have worked closely with school and parish leaders to create three endowments: Tuition Assistance, Teachers, and Capital Improvement.

\$15 million

Endowments Support the School

With 4% of the earnings from each fund applied to our operational budget annually, nearly \$500,000 in earnings was utilized by the School Board for the current year.

The revenue contributions from both the Endowment Funds and Fundraising have kept tuition increases at a minimum. To date, over \$5.4 million have been applied to upgrading facilities, providing financial aid to families in need, and retaining our faculty by supplementing their diocesan-set salaries.

Contributions from earnings on our endowments, as well as the parent donations to the Annual Fund Drive, last year alone saved each school family more than \$1,000 in tuition.

Fundraising offsets the cost of tuition

While the Endowment Fund contributions significantly reduce the cost of tuition, it does not cover the entire cost to educate a student at Saints Peter & Paul School. Fundraisers, in addition to the parish subsidy and endowment fund contributions, aid in the ability to keep tuition affordable for all of our families.

Gifts of time, talents and resources help our Catholic school to thrive. The Annual Fund Drive and Golf Outing provide opportunities to offset higher tuition costs through tax deductible donations. Through the generosity of our school families, the funds raised are applied to the school operating costs, teacher salaries and tuition assistance.

The Advancement Board is also focused on fostering fellowship and strengthening our school community through events like the NFL Survivor Pool, March Madness Pool, Queen of Hearts and *NEW* Saints Peter & Paul Block Party.
